- Get the same reliable energy service with no change in the generation, delivery or maintenance of your energy services
- With Solar Power,* customers can harness the power of the sun for lower electricity bills

*Available in select markets

ACN Premium Technical Support

- Low-cost computer support delivered securely over the Internet – no need to leave your home or send your computer out for repair
- Support available 24/7 – with anti-virus and backup options available to keep your documents, emails and digital photos safe

SERVICES OFFERED

Free Services.

Free Kids From Hunger.

With ACN Project Feeding Kids, every time someone becomes an ACN customer a child gets fed. And every time someone pays their ACN Phone Service or Flash Wireless bill another child gets fed.

With Strive for 5 when customers simply spread the word about qualifying services and 5 people sign up for the same service they have, their service can be free*!

And the more customers who refer customers - the more children fed.

*Excludes taxes and surcharges
